

*Announcing...*

To help insure that all St. Katharine Drexel School families have access to affordable clothing for our new dress code, we are establishing "Cougar's Closet" in Room 215 in the Elementary campus building on Spring Street. We will soon have short sleeved polo shirts in White, Cougar Yellow, and Royal Blue as well as pants in Khaki, Navy and Black for both girls and boys. In addition, we will offer skirts for the girls in Khaki, Navy and Black.

Any family needing assistance in meeting the new dress code may pick up a confidential Clothing Request Form in either school office, which should be returned to the attention of Barbara M. Haase, Principal/Administrator.

We are also accepting all gently used articles of clothing that match our new Fall 2009 dress code. These items must be clean, with no holes or noticeable stains. We will gladly accept donations from anyone in our Parish or School family. SKDS parents will have a choice between exchanging like articles of clothing or receiving points for their donations.

Please drop off donations at the Spring Street school office or at the Parish Center during their normal office hours. If you do not want points for your donation, you may give clothing items to any usher at church in a bag labeled "Cougar's Closet". If you would like to help us with a monetary donation, you may mail it to St. Katharine Drexel School at 503 S. Spring St.; Beaver Dam, WI 53916 ATTN: Cougar's Closet. Please make checks payable to SKDS, and write "Cougar's Closet" on the memo line.

Watch for a Future Announcement regarding Cougar's Closet hours of operation. If you would like any further information, please call Susan Caine at 927-5416, Stacy Freber at 887-2574, or Vicki Weinberger at 885-6450.
